O.A. home group (s): Come As You Are Saturday Morning Omaha NE

Length of time in O.A.: January 1996 (14+years)

Brief account of O.A. story: I joined OA when a new meeting started in Nebr City. The meeting was short lived and I knew that OA was the answer for me so I started driving into Omaha for meetings and have done so ever since. When I came into the program I weighed nearly 300 lbs, could not walk from the parking lot into the meeting without stopping to breathe. I was filled with anger and was an emotional and spiritual wreck. I have maintained an 80 lb weight loss for 14 years now. I am a healthier, happier, saner, and kinder person today. OA not only saved my life, but it also saved relationships with my children.

History of O.A. service (include all levels of service experience): Saturday Come As You Are Treasurer (two years - I cannot remember the dates), GOII Fall Retreat Co-Chair 2007 & 2010. Region IV Rep 2008 & 2009, GOII (Greater Omaha Intergroup Inc) Board Member 2007 & 2010, GOII Treasurer 2008 & 2009, WSBC Rep 2010

Business, professional, volunteer or other experience or skills you can bring to this job: Bachelor of Science degree in Business Education, I have served as treasurer in other non-profit groups as well as OA. I have served on numerous Boards (Nebr City School Board, Nebraska City Community Foundation, Nebraska City Public Schools Foundation, St Mary's Hospital Audit/Finance Board. I have worked at American National Bank for 20 years.

Why do you want to do this job or service? I have the skills and ability to be a good treasurer and board member. I both enjoy and need to give back to OA.
